

NORTHWOODS NO-SEW APRON

Supplies:

- 1 ready made apron
- 1/3 yard of fabric
- 1 pkg. of **Heat'nBond Ultrahold**
- Scissors, pinking shears optional
- Ruler
- Iron
- Pen to trace animal silhouette

Directions:

- Cut a piece of fabric 27" x 5". Cut another piece 11" x 4". If you like the look of the pinked edge, use your pinking shears.
- Do you want your fabric to fray? If not, cut the Heat'nBond Ultrahold the same size as your fabric and fuse it in place following the Heat'nBond instructions found on the packaging.
- If yes, cut a piece of Heat'nBond Ultrahold 26½" x 4½". Center it on the back of the 27" x 5" fabric and fuse in place, following the Heat'nBond instructions.
- Cut a piece of Heat'nBond Ultrahold 10 ½" x 3 ½". Center it on the back of the 11 x 4" fabric and fuse in place, following the Heat'nBond instructions.
- Using the apron photo as your reference, place the smaller piece of fused fabric at the top of the apron and the larger piece on the bottom. Fuse in place following the Heat'nBond instructions found on the packaging.

For the Appliqué:

- Trace the bear or moose onto the paper side of Heat'nBond Ultrahold. Rough cut around it.
- Cut a 6" x 6" piece of fabric. Fuse your animal in place on the back of the fabric following the Heat'nBond instructions found on the packaging.
- Cut the animal out along your traced lines.
- Using the apron photo as your reference, fuse your animal in place following the Heat'nBond instructions found on the packaging.

Your apron is ready to wear or give as a gift!
