

Make This: Front Porch Pin Cushion

Supplies:

- 1 small wooden chair
- 1 bottle of acrylic paint in color of your choice
- 1 fat quarter, 5" charm or scrap of fabric.
- 2 1/2" square of foam core board
- Hot glue or Beacons 3-in-1 glue
- Poly-fil stuffing

Directions:

1. Measure the seat of the chair and cut foam core to fit.
2. Paint chair and set aside to dry.
3. Place a loose handful of stuffing on top of foam core.
4. Center fabric on top of stuffing and wrap to bottom of the foam core. Adjust your quantity of stuffing until you're happy with the look.
5. Glue edges of fabric onto bottom of foam core with hot glue or Beacons 3-in-1.
6. Once the chair is dry, glue the cushion onto the seat of the chair.
