Temperature Blanket Planner Page

While it's fun to start on the 1st of the month, you can start this project at anytime and you'll get a lovely striped blanket that reflects the changing of the seasons. You can make this a year long project or just for a few months. Example; 4 months = about 240 knit rows. Approx width 44", length will be up to you based on how many days you choose to knit or crochet.
