- Adhesive Black Vinyl 12x12 Sheet
- Black Bakers Twine
- Doodlebug White Doily
- E6000 Glue
- 4 Small Plastic Cups
- 1 Solo Cup
- Popsicle Sticks

## Directions:

1. Clean all glass and lids on Mason Jars with soapy water. Wipe dry, make sure glass is at room temperature.
2. Spray paint lids with gold spray paint. (3-4 coats) let dry between coats.
3. Trace heart template on to the back of the adhesive vinyl & cut out.
4. Place heart on the smooth side of the mason jar.
5. Start mixing 1:1 paint & pouring medium in small cups.
6. Start with one color pouring stripes like shown in the photo.
7. Continue with the other 3 colors doing the same technique.
8. Flip jar around and do the back side so jar is covered in paint.
9. Flip jar over on to a solo cup to dry over night.
10. Once its dry trace around the heart with a pen blade.
11. Carefully pull up the heart, saving it for the other mason jar.
12. Place removed painted heart shape on to a doily.
13. Trim the paint off the top of the mason jar where the lid fits on.
14. Glue knobs on the top of the mason jars lids.
15. Place doily on the front of the second mason jar and wrap with bakers twine.
16. Fill both jars with candy and put lids on.
