

Washi Station

Supply List:

- . White Washed Wood Board (PAC 18)
- . Rose Gold Metal Basket (NST 548)
- . Decorative Acrylic Knobs (Cal 311)
- . Wood Dowels 1/4" x 12"
- . E6000 Glue
- . Small nails to hang basket

Optional:

- . Small saw to trim the dowel

Directions:

1. Trim Dowels to about 11" long with a small saw
2. Glue knobs on to board using E6000 glue (dry for 4 hrs)
3. Hang basket with small nails to the bottom of the board.
4. Add washi tape and twine to each rod then place rods over knobs.
5. Hang Washi Station (pallet come with hangers already attached)
