## Directions:

1. Using template from page 4 trace hat circle top onto black paper & cut out.

2. Cut Strip of paper for the top of the hat 6.5" long by .75" wide. Then score it down the middle. You can also use a ruler to score your paper.

3. Using Tombow tape runner, run tape down the right side of your strip, and a little at the end, so you can close up your circle after adding to hat.

4. Cut small slices down the right side of your paper strip that has the tape runner on it.

5. Place paper through small hole in the middle of the hat.

6. Fold adhesive/cut strip to the back side of the hat.

7. Place a couple drops of black Alcohol ink on dabber and swirl around the entire page.

8. Cut out cone shape using template.

9. Run tape runner down one side of your cone. Then close up cone.

10. Using Tombow Aqua glue, put a little glue around the base of your cone.

11. Place cone through the top of your hat and let glue dry.

12. Repeat steps for the other 2 hats.

13. Paint wood blocks with black acrylic paint. Then sand the sides.

14. Paint Darice Letters with black acrylic paint.

15. Trace letters on to scrapbook paper & cut out. Then use black distress ink around edges.

16. Cut Scrapbook paper to fit front of the block 2"x3" then add distress ink on the sides.

17. Glue paper to the front of the block and letters to the chip board using glue stick.

18. Add pop dots to the chipboard letters and black bakers twine.

19. Adhere letters to the front of each block.

20. Paint tray with black acrylic paint and sand sides.

21. Place blocks, battery tea lights and filler into tray and watch the hats glow!
